BRING DEAD TO LIFE.

Artificial Respiration Corporation
Dul yChartered in Norfolk.

(Special to The Times-Dispatch.)
NORFOLK, VA., March 2.—For the purpose of bringing the dead back to life by re-creating breath to the bodies which it has left, the Artificial Respiration Corporation has been organized and chartered, with a capitalization of \$100,000. The officers of the corporation are: R. E. Miller, president; C. S. Hanks, vice-president; W. H. Venable, treasurer, and M. C. Hill, secretary. All men of high standing. Experiments by Professor Poe, with thirty members, who are enthusiastic in their hope to be a potent factor in the development of their school, and to encourage those practices which make toward the training of a public.

The society will meet every Saturday at 8 P. M., and each student of the institute is cordially invited to join.

WARM RECEPTION.

Harbor Pirate Fired On and Believed to Be Wounded.

(Special to The Times-Dispatch.)
NORFOLK, VA., March 2.—A river pirate received a warm welcome and maybe a bullet in his body when he tried to enter the cabin window of the lumber barge L. A. Dempsey, at the foot of Bart street, about 2 o'clock this morning.

Captain Evensen was aroused from sleep by the smashing of his cabin window, and when he looked out, saw a man with a rifle, who fired two shots, and feels satisfied that one of the bullets struck the would-be robber, as the latter wheeled against a pile of lumber as if struck, but a search of the yard failed to reveal anyone. The robber was barefooted, and was above the water level of his feet on the wet deck of the barge.

FEARFUL STORMS IN LOUISIANA AND MISSISSIPPI

NEW ORLEANS, LA., March 2.—Southern Mississippi and Louisiana have for two days experienced the worst storm of the winter. The turbulence manifested itself in high winds, electrical displays and cyclonic winds. At least one death was caused by the storm in Mississippi, and thousands of dollars damage has been done.

Philadelphia reports a tornado which damaged small buildings. At Meridian, Miss., more than five inches of rain fell, making Souwassee Creek a river in a mile wide. At McNeil, Miss., many bridges were washed away, and in the vicinity of Laurel plantation has been temporarily abandoned.

The railroads suffered many washouts.

MAIL WAGON STOLEN
CONTAINING \$5,000 IN MAIL

CHICAGO, March 2.—A United States mail wagon, containing three pouches, one filled with registered mail, and to be delivered to-night, was stolen from in front of the Washington Exchange building, La Salle and Washington streets, while the driver was making the collection in the building.

Two hours after the robbery the wagon was found three miles away from the Stock Exchange. The pouches were gone.

SOCIETY ORGANIZED AT MECHANICS INSTITUTE

First Regular Meeting Held Last Night and Interesting Program Carried Out.

The Richmond Tech Literary Society held its first regular meeting in the auditorium of the Virginia Mechanics Institute last night.

The officers of the meeting were: President, Isaac M. Jones; Vice-President, E. L. Jones; Secretary, C. T. Adams; Treasurer, C. E. Foley; Critic, C. C. Corkran; Sergeant-at-Arms, B. W. James.

A program of the evening was a debate on the question, "Resolved, that steam is more useful than electricity." The speakers were Messrs. O'Leary, Binnis, Jones and Moll, who handled the discussion ably.

This young society, formed among the students of the institute for the promotion of the literary, musical and social tastes of its members, begins with thirty members, who are enthusiastic in their hope to be a potent factor in the development of their school, and to encourage those practices which make toward the training of a public.

The society will meet every Saturday at 8 P. M., and each student of the institute is cordially invited to join.

NEGROES CHARGED WITH ARSON IN GOCHLAND COUNTY.

Mr. Isaac Diggs returned last night from Gochland county, where yesterday he appeared with Commonwealth's Attorney Monteiro against three negroes charged with having attempted to burn the house of the father of Mr. Ben. T. Barrett, near the State Farm.

The crime was committed in 1904, and the case was worked up by Richmond detectives. Three negroes were sent to the grand jury yesterday.

Two of the negroes sent on were Joe and Betsy Allen, ex-slaves of Mr. Barrett, who lived on his place. The other was Willie Freeman, a young negro.

It seems that three attempts were made to destroy Mr. Barrett's home. One was unsuccessful, but the other two resulted in destroying his barn and stable, and a number of horses.

Mr. Diggs seems of opinion that the right parties have been landed.

ENDORSE MR. JOHNSON.

Many Sign Petition Asking Governor to Appoint Him Judge.

(Special to The Times-Dispatch.)
ALEXANDRIA, VA., March 2.—A voluminous petition, bearing the signatures of over seven hundred of the most representative residents of this city, endorsing Attorney John M. Johnson for the position of judge of the Circuit Court of this district, which will shortly be made vacant upon the resignation of Judge Charles E. Nicol, will be presented to Governor Swanson as a testimonial of Mr. Johnson's ability to fill the position.

As previously stated in The Times-Dispatch, Judge Nicol will, upon resigning, enter at once into the political arena for the purpose of securing the nomination for the late Representative John P. Rixey's place. Many here concede that Judge Nicol will be the successful candidate.

Valuable Property Sold.

A deed was entered in the clerk's office at Henrico Courthouse yesterday from E. Karl Victor and Marie Luisa Victor, his wife, to Mrs. M. Taylor, of Richmond, for a tract of seven acres, more or less, about one and a half miles north of Richmond, on "North Road," the consideration being \$7,942.

COFFEE THIRSTED HER 15 Long Years.

"For over fifteen years," writes a patient, "I have been suffering from a coffee drinker, I suffered from Spinal Irritation and Nervous Trouble. I was treated by good physicians, but did not get much relief."

"I never suspected it might be aggravating my condition. I was downhearted and discouraged, but prayed daily that I might find something to help me."

"Several years ago, while at a friend's house, I drank a cup of Postum, and found it was so weak and tasteless, and do many other things that I never thought I would be able to do again in this world."

"My appetite is good, I sleep well and find life is worth living, indeed. A lady of my acquaintance said she did not like Postum, it was so weak and tasteless."

"I explained to her the difference when it is made right—billed according to directions. She was glad to know this, because coffee did not agree with her."

Now her folks say they expect to use Postum the rest of their lives." Name given by Postum Co., Little Creek, Mich. Read the little book, "The Road to Wellville," in plain English, a reason.

CALLS MESSENGER GIRL "LITTLE MISS MERCURY"

MARION OTT.
First of the girls to be engaged by the Postal Telegraph Company in Hoboken to replace the boy messengers.

Murder and Suicide.

NEW CASTLE, PA., March 2.—George Cackrich shot Nicholas M. Viscus, his wife, to death, and then turning the weapon on himself, fired a bullet through his abdomen. Cackrich is now at the hospital and probably will not survive.

The men quarreled and fought yesterday, but were separated. This morning Majon was descending the stairs for breakfast, when Cackrich, who had probably been awaiting his opportunity, drew a revolver and began firing. Majon died almost instantly. Cackrich ran from the house, and then shot himself when he saw that others were pursuing him.

Bostock at Exposition.

(Special to The Times-Dispatch.)
NORFOLK, VA., March 2.—Mr. Bostock, a prominent citizen, who was here for the purpose of signing a contract for a show at Pine Beach, Bostock reaches here next Saturday. The Paris contingent of animals will be shipped direct to the exposition.

PERSONAL AND GENERAL.

The Danish Minister of Agriculture, Ole Hansen, is one of the most popular and democratic of the public men of his country, and allowed his daughter to be introduced to the public by a domestic service to learn housekeeping.

The colossal statue of Lincoln by St. Gaudens, with a pedestal by Stanford White, had a large crowd of people gathered to be erected in Grant Park, Chicago, just as soon as the park commissioners assign a site for it.

It has been established that ordinary cooking does not kill bacilli, or deprive them of their infective character. If they are situated in the deeper portions of the meat, or in the inner layers of a butcher's "roast."

The board of education of Philadelphia has decided to divide the city into five sections, and to establish a high school in each. Although Philadelphia is the third largest city in the United States in point of population, it is the twenty-third in number of high-school students.
